## *FREE DAY*

## AT THE DENTIST

Healthy Smiles for Cook County Youth

## October 15th, 2018

The Oral Health Task Force will be sponsoring another "Free Day" at Grand Marais Family Dentistry on October 15th, 2018 for Cook County children and young adults up to 26 years of age. The Free Day also applies to children who attend Birch Grove Charter School living in Silver Bay. Appointment slots fill up quickly so call today to make an appointment at 387-2774. The "Free Day" includes an exam, cleaning, x-rays, fluoride and/or sealants. Also being offered is free fluoride well water testing compliments of the Oral Health Task Force to any home where children reside. This offer includes pre-natal moms, children and young adults again up to age 26, day cares, and grandparent's homes. For further well testing information and instructions, please call either Joe Routh at Cook County Planning and Zoning, 387-3631 or Georgene Daubanton at Oral Health Task 387-2334.
