Proof of Income

In order to qualify for the Sliding Fee Scale program, you will need to provide information about your family and your income. The proof of income must be returned to Sawtooth Mountain Clinic within 30 days of submitting the completed application. If you do not provide proof of income, your Sliding Fee Scale eligibility will end. **If you file taxes, we will need a copy of your 1040.** If you do not file taxes, contact the Sliding Fee Scale Program coordinator for assistance.

All participants need to reapply and update their income each spring in order to remain on the program. If you have changes during the year with your household size and/or insurance coverage, please contact Sawtooth Mountain Clinic and ask to speak to the Sliding Fee Scale Program coordinator.
